APPELLANT'S UNOPPOSED MOTION TO FILE A SUPPLEMENTAL APPENDIX WITH REPLY BRIEF

The opening brief of Appellant, filed August 29, 2022, and the answering brief of the Appellee, filed December 14, 2022, have been filed in this case. Appellant will file her reply brief today, January 18, 2023.

Appellant requests permission to file a supplemental appendix pursuant to local rule 30(e) of this Court which provides that “[i]f anything material to the appeal...is omitted from the appendix, the clerk, on the duly served and filed written request of any party, may allow the appendix to be supplemented.”

Appellants proposed supplemental appendix contains pleadings and exhibits that directly answer and are germane to the government's arguments in their brief and supplement omissions of the supplemental appendix filed by the government.

Appellant's supplemental appendix is less than 60 pages and will assist the Court in this appeal.

Counsel for the government was contacted via email and in writing, stated that he had no objection,

Wherefore, Ms. Fadl requests that this Court grant permission to file a supplemental appendix in this case.

Respectfully submitted,

/s/ Kira Anne West
